November 7, 2014

Dear Carla and Team,

Thank you so much for hosting an amazing Trunk or Treat party and providing so many wonderful goodies! Getting to do special things on holidays are very important for our kids, so we really appreciate you providing a unique and special holiday celebration. Thanks again for choosing Shiloh House!

Over the next year, Shiloh House will continue to grow. We are excited to announce that Shiloh House will expand into Arapahoe and Douglas counties with a Family Resource Center designed to meet the physical, emotional, educational, and systemic needs of youth and families in these counties. In partnership with Arapahoe and Douglas Counties, this new facility will provide shelter to displaced youth and offer therapeutic and medical services as well. This growth is a testament to the support Shiloh House has from surrounding communities and people like you. Thank you for making it possible to impact more lives of the youth in Colorado.

Help us get our share of the Colorado Gives Day \$1 Million incentive fund. For the fifth consecutive year, Community First Foundation and FirstBank are partnering to present Colorado Gives Day. All Coloradans are encouraged to join the statewide movement to "Give Where You Live" on Tuesday December 9th, 2014, by supporting their favorite causes online through ColoradoGives.org. Please partner with Shiloh House to raise \$25,000.00 for our new Family Resource Center shelter program. All the funds raised on Colorado Gives Day will purchase the items needed to create a comfortable bedroom for kids who have no room. We need furniture, linens, decorations, etc to create an inviting, comforting space for kids who have been abused, neglected and traumatized. If you have any questions please contact Kathy McShane, Community Liaison at: kmcshane@shilohhouse.net.

Please join us and give on Colorado Gives Day and help furnish our shelter!

Grateful,

Steven Ramirez
