Dear Rev. Boyce and Outreach Team,

I want to share a story of our progress here at DenUM that energizes me and keeps me hopeful. Susan came to our Employment Services program after several years of unemployment due to mental illness. We helped her get the medical assistance she needed and worked with her to improve her housing situation. We coached her in developing her resume and helped her get appropriate work clothes, then referred her to several interviews. **Within two weeks of her first interview, Susan had a job!** Now she comes back to see us monthly – not for more help, but to share the news of her continued progress.

In early 2014, we began a focused effort to lower the average time it took our employment services clients to get work. **By the beginning of 2015, our average time from employment services enrollment to hiring had gone from two months to two weeks!** Our staff works hard to cultivate job leads and help people design solid resumes and prepare for interviews. But our success wouldn't be possible without faithful support from you and others who believe in DenUM's mission. Your recent donation, listed below, will go to help people like Susan work their way into self-sustaining lives.

<u>Date</u>	<u>Description</u>
3/20/2015	Bread 125lbs. X 1.69 = \$211.25

Many thanks,

Tammy Mulligan
Executive Director
Denver Urban Ministries

P.S. If you'd like a tour of DenUM, or you'd be interested in volunteering, contact Molly Eversoll at molly@denum.org.

This letter serves as a tax receipt for your donation, and certifies that no goods or services were received in exchange for your gift. Donations of more than \$250 in a calendar year qualify for an Enterprise Zone tax credit to Colorado residents. Contact Tammy Mulligan at 303.350.5060 for more information.
