Dear Heritage UMC,

Our motto here at Shiloh House is: "Community-it's what we are, it's where we are." Thank you for enhancing the lives of the youth and families served by Shiloh House by hosting an Easter party for our boys. These little touches really help enhance the holidays for them. As you know, many lives are touched by the community's involvement with Shiloh House. Through your support and that of the community, we are able to carry out our mission to be a community-based resource for all families in need. Thank you for your partnership in making our dream a reality.

Shiloh House is in a wonderful and exciting state of change. We are collaborating with Arapahoe and Douglas counties to open a state of the art family center. The family center will be designed to meet the physical, emotional, educational, and systemic needs of youth and families in these counties through providing shelter to displaced youth and offer therapeutic and medical services to youth and families as well. This growth is a testament to the support Shiloh House has from surrounding communities and people like you. Thank you for making it possible to impact more lives in Colorado. If you have any questions about Shiloh House or other ways you can get involved, please contact our Community Liaison Kathy McShane at: kmcshane@shilohhouse.net.

Grateful,
